

Doggy Visitors

We're delighted to welcome your four-legged friends. To help keep The Cottage comfortable, clean and fresh for everyone, please follow our cottage rules:

No dogs in the bedrooms - upstairs or downstairs.

Use the stair gate - no dogs upstairs.

Please don't use our throws - for dog bedding.

Always pick up dog poo - in the garden and surrounding areas, please put this in the general rubbish bin.

Do not leave dogs alone inside the cottage at any time.

If you need dog towels, just ask, we're happy to provide them!

Thank you for helping us keep the cottage clean, cosy and welcoming for all our guests — human and canine! 🐶💛
